*This Open Meeting of Zero Waste Arlington is being conducted remotely consistent with Governor Baker's Executive Order of March 12, 2020, due to the current State of Emergency in the Commonwealth due to the outbreak of the "COVID-19 Virus."*

*In order to mitigate the transmission of the COVID-19 Virus, we have been advised and directed by the Commonwealth to suspend public gatherings, and as such, the Governor's Order suspends the requirement of the Open Meeting Law to have all meetings in a publicly accessible physical location. Further, all members of public bodies are allowed and encouraged to participate remotely.*

*The Order, which you can find posted with agenda materials for this meeting allows public bodies to meet entirely remotely so long as reasonable public access is afforded so that the public can follow along with the deliberations of the meeting.*

*Ensuring public access does not ensure public participation unless such participation is required by law. This meeting will not feature public comment.*

*For this meeting, Zero Waste Arlington is convening by Zoom video conference as posted on the  
Town's Website identifying how the public may join.*
